After installing the software, the licence key received must be entered in order to use the software.

To do this, open the application by double-clicking on the link.

Registration is necessary for activation. For this purpose, the name of the practitioner or the laboratory owner is entered and the e-mail address of the company is stored.

	Hello Sam Präzisiontechnik!	
	The verification of your installation for test.asm.software@gmail.com was valid.	
	You can now return to your SAM software to to retrieve your license:	
	<ol> <li>Open the installed SAM software on your computer.</li> <li>Enter the licensing screen. (It might open automatically).</li> <li>Click "Fetch License".</li> </ol>	
	Your basic license for the requested email address and machine is now activated. You need to re-verify for every new email address or computer you install the software on. Depending on the software, you might need to purchase and erefer an activation key as well.	
	If you require any assistance contact SAM support at axiocomp@sam-dental.de.	
	© 2021 - AxiocompWebCore - Impressum	

After confirming the registration, another area appears for entering the licence key. The licence key is on the licence card that was sent by post.
